## Jes Supposin'.

For The Gazette.

S'posin' you wuz sittin' dreamin'  
O' a hunt for grouse an' plover—  
An' you'd doze an' doze, an' lose  
Consciousness a' hour or over;  
An' you'd really dream o' blue eyes  
An' sweet rosy lips a' poutin';  
An' you'd wake an' see 'em, really,  
Sittin' near you, half a doubtin'.

Whether to wake an' tease you—  
Or to let you sleep an' dream long  
Bout your hunt down on the river—  
Or to creep into your arms strong.  
Jes supposin' it wuz this way,  
Would you hunt, or kiss the dear one  
If supposin'—s'posin' it was,  
You an' me— De Leon.

MR. JACK WOLTERS, of Fayette  
county, has been elected chairman  
of the 9th Congressional district.  
Jake is the very man for the place.  
With Burgess as the nominee and  
Wolters as chairman, a democratic  
victory is doubly sure in the ninth  
district.

THE current issue of Collier's  
Weekly has this to say of the anti-  
imperialists' letter to President  
Roosevelt: "The letter is temperate  
in tone and it cannot be ignored,  
nor can the dreadful accusations  
repeated by men of position be  
answered by any amount of non-  
sense about the 'honor of the  
army.'"

THE daily press gave large pub-  
licity to an alleged statement of Mr.  
Bryan, that he would not refuse  
the presidential nomination if it  
were tendered him by the party in  
convention, and now Mr. Bryan is  
out in a positive denial that he  
made any such statement and that  
he will not be a candidate for any  
office in 1904.

## THE SAN ANTONIO FAIR.

This Year's Event Promises to Eclipse  
All Past Efforts.

The fourth annual Fair and Ex-  
position of the San Antonio Inter-  
national Fair Ass'n will be held  
this year Oct. 18 to 29 and every-  
thing points to a larger and better  
Fair in every department this year  
than ever before. This Association  
offers more money to exhibitors of  
live stock and agricultural products  
than any Fair in the South and as  
a result of the efforts of the manage-  
ment to build up the agricultural  
and live stock interests of Texas  
and the southwest there is always a  
full line of exhibits. The live stock  
feature of this Fair in the past  
always created much favorable  
comment and this year, though  
three months prior to the opening  
of the Fair, every stall and pen has  
been taken. Exhibits will be up  
to the usual high standard in the  
other departments. Every avail-  
able foot of space in the various  
buildings has already been spoken  
for.

cotton.—Houston Post.
